MINUTES OF PROCEEDINGS: **MOTION/EVIDENTIARY HEARING**

The Court convened at 1:45 PM.

The defendant is present in custody with no restraints for court proceedings. FBI Special Agent Jackie Gross is present at Government counsel table.

The Court makes preliminary statements and hears representations of counsel regarding the suppression basis of a renewed motion to suppress and government's opposition or response. For the reasons stated at the hearing, IT IS ORDERED that Defendant's renewed motion to suppress is due August 2, 2019; Government's response is due August 23, 2019.

The Court confirms defendant's consent, grants the oral request for continuance as to the need for the Court to hear the renewed motion to suppress, evidentiary hearing and issue a decision in this case which may impact the preparation for trial, the Court finds that the additional time is excludable under the Speedy Trial Act, Title 18, United States Code, Section 3161(h)(1)(D), considering the factors under Title 18, United States Code, Section 3161(h)(7)(A)(i). The time between now and November 18, 2019 is excluded. This continuance is excludable under the Speedy Trial Act and the time has been excluded.
